

Pre-Prep Uniform List

2023-24

Information for Parents

New Uniform

New uniform can be purchased from the School Shop or online. You can contact them, either by phone (01935 810 506) or email (schoolshop@sherborne.org), to discuss your uniform needs. More information can be found online at www.sherborneschoolshop.com

Second Hand Uniform

Many of the items listed below may be available from the Prep School Second Hand Uniform Shop. This is run by a volunteer parent, Mrs Caroline Shackelford, and is open by appointment only. Please email: s.p.secondhand@gmail.com

Sports Clothing & Equipment

All balls used in games lessons are provided. **All children in Year 2 must wear mouth guards for hockey & rugby.** We recommend a temporary mouth guard (available from most sports shops), though OPRO fitting is available if required. When hockey is played, children will need their own shinpads.

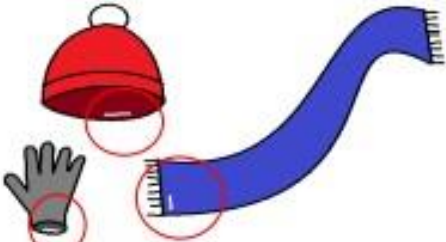

Naming of Clothing and Possessions

All clothing, school bags, sports bags and equipment, shoes, trainers and boots worn or used by children at school should be clearly marked with their initials and surnames, preferably with nametapes, or in some other indelible way.
